The league schedule was the first item on the agenda. The weekend dates and locations were determined as follows:

- September 24-25 NC State (southern regional)
 Maryland (northern regional)
- October 8-9 James Madison (crossover)
- October 22-23 Virginia (division championship)

The tournament dates are pending pool confirmation and the ACC football schedule.

Teams hosting tournaments were reminded to submit their Pool Reservation Form as soon as possible so we can complete the schedule and book hotels. This information will be available after we receive these forms.

The Commissioner reminded everyone to have their Club Supervisor submit a Participation Contract ASAP to ensure eligibility. The link to complete the form is found on the Coaching Page of the website under Administrative Forms.

All coaches were urged to complete an Evaluation Form about the officials following each of the competitions. These forms are available on the web. If you are unsure of which referee you would like to evaluate, simply go to the officiating assignment page and click on their name, at which point their picture will appear for easy identification.

Individuals taking over for their teams in a leadership role were asked to complete the CWPA webinars found on the Membership Page of the website. The webinars will help new leaders become familiar with their responsibilities within the conference.

Those taking over leadership positions with their teams were requested to update their school contact information, located on the Membership Page of the website.

Lastly, the Commissioner stated that Program Information for the media guide can be submitted by the end of the semester or in August.
