\$ Georgetown University forfeited its game to Johns Hopkins University; ^ Due to the University of Maryland and Johns Hopkins University splitting their meetings with Maryland winning 9-5 and JHU winning 16-12, per the tiebreaker rule: "If the total of goals scored between the teams is equal, the differential for all common opponents seeded higher is used. If no common opponents are seeded higher, the goal differential against the highest seeded common opponent is used." As no teams are seeded higher, the differential against the United States Naval Academy is used. Maryland defeated Navy 18-17 and 9-7 for a +3, while Johns Hopkins defeated Navy 18-11 and 9-6 for a +10 to win the No. 1 seed in the Northern Division; % North Carolina State University claims the No. 4 seed based on goal differential due to a 13-6 win and a 12-6 loss against the University of North Carolina for a +1 differential.
