Note: The Big Ten Division voted on several playing rules adjustments for the regular season due to the number of games needed to be played and facilities' time constraints. Therefore, games on the first two weekends of competition will be played with seven minute quarters, one two-minute timeout per half (that does not carry over) and two-minute break periods. Additionally, games during the regular season that are tied at the end of regulation will be recorded as ties. There will be no overtime played during the regular season. Seeding for championships will be determined by points. On the championship weekend of October 24-25 at Purdue University, games will be played with normal rules including overtime periods. All games at championship will be played until a winner is determined.
