****Per the tiebreaker procedure for three teams which states, "If more than two teams are tied in won/loss records, goal differentials among the teams tied serves as the tiebreaker to determine the best team within the group until only two teams remain. The final two teams use their head-to-head results to break the tie. If the top two teams based on goal differentials are tied, the tie is broken with the results of their head-to-head competition", Salem International University claims the No. 2 seed due to having a +3 goal differential (17-12 W vs. Connecticut College, 13-11 L vs. Mercyhurst University) compared to Mercyhurst's +1 (13-11 W vs. Salem International, 14-13 OT L vs. Connecticut) and Connecticut's -4 (14-13 OT W vs. Mercyhurst, 17-12 L vs. Salem International). Once the tie for the No. 2 seed is broken, Connecticut claims the No. 3 seed due to a head-to-head win over Mercyhurst.***
