

Missouri Valley Division

Meeting held March 5, 2013 6:00 PM

Attending: Dan Sharadin, Commissioner; Southern Illinois University, Peter Schorsh; Lindenwood University, Marko Cubranovic; University of Missouri, Courtney Roland; Washington University, Nathan Todd and Vedad Karahodzic

Lindenwood confirmed their B team will participate. The league schedule was the next item on the agenda. Dates and locations were determined as follows:

- September TBD -- TBD
- October 18-19 -- Rec Plex (hosted by Lindenwood Univeristy)
- October 25-26 -- Championship at Washington University in Saint Louis

Hosts were reminded to complete the Pool Reservation Form, found under the Forms section on the website. Hotels will be reserved once these forms are submitted.

The Commissioner mentioned that all necessary forms for Team Leaders are found on the website under the Forms Tab. This includes the Participation Agreement that needs to be submitted by the Club Supervisor before June 1st. Likewise, Team Leaders need to turn in their Media Guide Info using the form on the website by the fall. Emails for players should be included so athletes can be notified when games within the division will be streamed.

All coaches were urged to complete an Evaluation Form about the officials following each of the competitions. This form is found under the Forms tab of the website. If you are unsure of which referee you are evaluating, go to the officiating section and click on their picture for easy identification.

Teams were encouraged to send in pictures or story leads to promote their programs and enhance the interest of the website. Likewise, Team Leaders should take advantage of the Player of the Week program and nominate athletes each week, regardless of whether the games are within the CWPA league play or non-conference. Those selected receive awards.

The Commissioner discussed the broadcast program and mentioned that the goal will be to stream every division at least once during the season. The office will send a streaming kit that includes a high definition camera, tripod, and other equipment to make the stream possible and will arrange for a camera operator. The host will merely need to arrange for an internet connection at the pool.

Another new program mentioned outlined a team profile video. The CWPA wants every team to make a 3-5 minute video about their team (rated G) and send it to the office, where we will post the video link on the website, imbedded in the Team Contact section. The club with the best video will receive an award.

The Commissioner also mentioned the requirement for Team Leaders to review the Team Orientation webinars. The program consists of three webinars and can be accessed via the Membership Page. There is also an optional fundraising webinar that provides some great tips.

Teams are reminded to update their contact information using the link on the Membership page.
