****Missouri Science & Technology claims the No. 6 seed due to Lindenwood University "B" forfeiting games. Per league rule, "If two teams are tied using the tie breaker system below and they have played each other, the head-to-head competition is used to determine ranking. Note, in the event that a team forfeited a game during the season, that team is eliminated from tie-breaker consideration and is seeded at the lowest position among the tied teams"; #Per league guidelines, "If more than two teams are tied in won/loss records, goal differentials among the teams tied serves as the tiebreaker to determine the best team within the group until only two teams remain. The final two teams use their head-to-head results to break the tie." Due to this Washington University claims the No. 3 seed as the Bears defeated Saint Louis University (16-12 W) and lost to the University of Missouri (15-14 L) for a +3 differential which was better than both Missouri's -1 (15-14 W vs. Washington, 15-13 OT L vs. Saint Louis) and Saint Louis' -2 (16-12 L vs. Washington, 15-13 OT W vs. Missouri). Once the tie is broken, the head-to-head result between Saint Louis and Missouri - a 15-13 Saint Louis win in overtime - determines the No. 4 seed.***
