The tournament is not seeded by ability, since there is no equitable means to determine the respective strength of the teams. Too few teams play outside of their division schedules to be able to create an accurate seeding. Match-ups are therefore based upon the 2013 National Collegiate Club Championship results by division. The Host region receives two automatic bids, one of which is assumed by the division champion and the other by the host site or division runner-up (the 16th position). This ensures the tournament host is always a participant.

Teams listed first wear dark caps and are home on the scoreboard. Host team always wears dark caps and is listed first on the scoreboard regardless of seed.
