3:30	Loser Game 18 - University of Oregon	vs.	Loser Game 17 - Texas A&M University	Eleventh Place	10-4

The tournament is not seeded by ability, since there is no equitable means to determine the respective strength of the teams. Too few teams play outside of their division schedules to be able to create an accurate seeding. Match-ups are therefore based upon the 2013 National Collegiate Club Championship results by division. The Host region receives two automatic bids, one of which is assumed by the division champion and the other by the host site or division runner-up (the 16th position). This ensures the tournament host is always a participant.

The Top Eight division finishers from 2013 receive positions No. 1-8, while the runner-up from the championship division receives the No. 9 seed.

The teams are seed based on a policy voted in during the 2008 Annual Meeting. The seeding rule states: *The top eight division winners will be seeded according to their division's finish the prior season. Places nine and ten will be reserved for the top two division runner-ups in order of their division's finish. The remaining places will be filled with the divisions according to their division's finish the prior season, with random draws used to break ties in placing.*

Teams listed first wear dark caps and are home on the scoreboard. Host team always wears dark caps and is listed first on the scoreboard regardless of seed.

2014 NATIONAL COLLEGIATE CLUB FINAL STANDINGS

1st - San Diego State University (Pacific Coast Division Champion)	9th - University of Notre Dame (Midwest Division Champion)
