

Northwest Division

Meeting held March 4, 2009 9:00 PM

Attending: Dan Sharadin, Commissioner; Central Washington University, Jordan Brouillet and Darrell Kangiser; University of Oregon, Conor Broom; Oregon State University, John Gabriel; University of Washington, Mike Dempsey; Western Washington University, Carter Gilmore

The Commissioner asked if anyone knew of teams wishing to join. Idaho was mentioned as a possibility. Likewise, Washington indicated they would not be fielding a B team.

The league schedule was the first item on the agenda. The weekend dates and locations were determined as follows:

- October 3-4 at UW (Puyallup) or Washington State or Amazon
- October 17-18 at Washington State or Amazon
- October 31-Nov 1 at Central Washington

The first two sites will be dependent upon Washington State and their interest in hosting. If WSU chooses not to host, UW will take the first weekend and Amazon will serve as the second site. Teams hosting were reminded to submit their Pool Reservation Form as soon as possible in order to complete the schedule for the fall and to book hotels. Hotels will be reserved and the information available as soon as we receive these forms.

The Commissioner reminded everyone to have their Club Supervisor submit a Participation Contract ASAP to ensure eligibility.

The Commissioner also requested that each team forward a copy of the Code of Conduct to their teammates before the season begins and follow the sportsmanship guidelines. Likewise, Deck coaches should abide by the Dress Code established.

All coaches were urged to complete an Evaluation Form about the officials following each of the competitions. These forms are available on the web. If you are unsure of which referee you would like to evaluate, simply go to the officiating assignment page and click on their name, at which point their picture will appear for easy identification.

Those taking over leadership positions with their teams were requested to update their school contact information, located on the Membership Page of the website. In addition, the Commissioner stated that the CWPA is implementing a program using webinars to help new leaders become familiar with their responsibilities within the conference. Information about these sessions will be released soon.

Lastly, teams were reminded to submit their Program Information for the media guide before they leave for the semester.
