The league schedule was the first item on the agenda. Teams were satisfied with the championship occurring before Halloween weekend, so the season will conclude by 10/23. The weekend dates and locations were determined as follows:

Northern region

- September 24-25 San Jose State
- October 1-2 UC Davis
- October 15-16 UCSC or Cal Maritime (regional championship)

Southern region

- September 24-25 San Diego region and Cal Poly
- October 8-9 UCSD
- October 15-16 UCSB (regional championship)

Division Championship

- October 22-23 UCLA (division championship)

The southern region decided to split their competition into two sites for the first date with UC Irvine traveling to San Diego to compete with the San Diego teams. Teams within each region would play round robin the first weekend with an additional game against an opponent drawn at random for their fourth game of the weekend.

Teams hosting tournaments in the fall were reminded to submit their Pool Reservation Form as soon as possible so we can complete the schedule and book hotels. This information will be available after we receive these forms.

The Commissioner reminded everyone to have their Club Supervisor submit a Participation Contract ASAP to ensure eligibility. The link to complete the form is found on the Coaching Page of the website under Administrative Forms.

Individuals taking over for their teams in a leadership role were asked to complete the CWPA webinars found on the Membership Page of the website. The webinars will help new leaders become familiar with their responsibilities within the conference.

Those taking over leadership positions with their teams were requested to update their school contact information, located on the Membership Page of the website.

Lastly, the Commissioner stated that Program Information for the media guide can be submitted by the end of the semester or in August.
