

Pacific Coast Division

Meeting held November 5, 2008 at 7:00 PM

Attending: Dan Sharadin, Commissioner; University of California, Irvine, Casey Gonzales; University of California, Los Angeles A& B, Kelly Bouman; University of California, San Diego, Casey Armstrong; Cal Poly State University, Greta Carroll; Pepperdine University, Katie Craig

The Commissioner asked everyone if they knew of any teams wishing to join. University of San Diego was mentioned as a possible new team.

The league schedule was the first item on the agenda. The following dates and sites were determined:

- January 31-February 1 -- Pepperdine
- Feb 14-15 or April 4-5 -- Cal Poly or UCLA
- April 18-19 -- Championship at Cal Poly or UCLA

The April 4-5 date was voted as the preferred weekend, provided a team was able to secure their facility. UCLA was going to check on the dates they have available and Cal Poly will fill in on the remaining open time.

Teams hosting were reminded to submit their Pool Reservation Form as soon as possible in order to complete the schedule. The form can be completed online by going to the Tournament page on the website. Hotels will be reserved as soon as we receive these forms.

The Commissioner reminded everyone to have their Club Supervisor submit a Participation Contract by December 15 to ensure eligibility. It can be found on the Coaching page under Administrative Forms.

All coaches were urged to complete an Evaluation Form about the officials following each of the competitions. These forms are available on the Coaching page under Administrative Forms. If you are unsure of which referee you are evaluating, simply go to the officiating assignment page and click on their picture for easy identification.

The Commissioner requested that each team contact ensure their athletes have read the Code of Conduct before the season starts. Likewise, Deck coaches should adhere to the Dress Code established.

For new team leaders, it was mentioned that the CWPA will be hosting webinars to help team contacts become more familiar with their CWPA responsibilities. Teams will be notified when these are scheduled later this fall.

It was mentioned the revised website that is now online and everyone was urged to send in pictures or story leads to enhance the interest of the site.

Lastly, teams were reminded to update their contact information using the link on the Membership page.
