

Southeast Division

Meeting held February 28, 2008 4:00 PM

Attending: Dan Sharadin, Commissioner; Clemson University, Ryan Mullane; Georgia Tech University, Brian Twynham; University of Tennessee, Julianna Tullos

The Commissioner asked teams if they knew of any teams wishing to join. Vanderbilt was mentioned as a possibility and Julianna indicated she would send their contact info.

The league schedule was the first item on the agenda. Since Georgia was not on the call, two options were determined, based on whether Georgia would be able to host the championship.

Option 1 (Georgia hosts)

- September 21-22 at Tennessee
- September 27-28 at Georgia Tech
- November 1-2 Championship at Georgia

Option 2 (Georgia unable to host)

- September 27-28 at Georgia Tech
- October 11-12 at Clemson
- November 1-2 Championship at Tennessee

Teams hosting were reminded to submit their Pool Reservation Form as soon as possible in order to complete the schedule for the fall and to book hotels. Hotels will be reserved and the information available as soon as we receive these forms.

The Commissioner reminded everyone to have their Club Supervisor submit a Participation Contract by March to ensure eligibility.

The Commissioner also requested that each team contact ensure their athletes have read the Code of Conduct before the season begins and follow the sportsmanship guidelines. Likewise, Deck coaches should abide by the Dress Code established.

All coaches were urged to complete an Evaluation Form about the officials following each of the competitions. These forms are available on the web. If you are unsure of which referee you would like to evaluate, simply go to the officiating assignment page and click on their name, at which point their picture will appear for easy identification.

The Commissioner mentioned the revised website that will be online by the end of the spring term, along with a few of the new functions.

Teams were reminded to submit their Program Information for the media guide before they leave for the semester.
