

Southeast Division

Meeting held March 16, 2016 4:00 p.m. EDT

Attending: Tom Tracey, Assistant Commissioner; Emory University, Billy Seeburger; University of Georgia, Luke McGrory; Clemson University, Steven Siclari; University of Tennessee (Knoxville), Sam Bondurant; Vanderbilt University, Michael Gilliland and Ellis Brown

The call opened with Assistant Commissioner explaining the Kap7 Affiliate Program and reminding teams of the 10% discount to all league members on purchases of equipment and apparel. KAP7 is committed to the sport of water polo and always available to teams beyond just their needs for equipment.

Potential new schools include University of Alabama, University of Mississippi. University of South Carolina.

Although not all schools were represented, teams decided on the following tentative schedule based on pool availability:

- September 17-18 - Auburn - tentative
- October 1-2 - Tennessee
- October 22-23 - Georgia (Championship)

Auburn was not on the call so the first regional competition is tentative. Emory will also check on the September date but teams all agreed that Auburn has traditionally hosted this weekend and would prefer to be at their facility based on pasted great experiences. Georgia will check on the championship date but this cannot be finalized until the varsity swimming schedule is confirmed. The backup date for the championship would be October 15-16 unless either Georgia Tech or Auburn are available.

Hosts were reminded to complete the Pool Reservation Form, found under the Forms section on the website. Hotels will be reserved once these forms are submitted.

The call concluded with the Assistant Commissioner running through a series of updates from our communications, membership services and media departments. Additionally, leadership was reminded that all necessary team forms are found on the website under the Forms Tab. This includes the Participation Agreement that needs to be submitted by the Club Supervisor before June 1st. After the form is submitted, teams have until September 1st to remove themselves from the league without penalty. Likewise, Team Leaders need to turn in their Media Guide Info using the form on the website by August 31st. Emails for players should be included so athletes can be notified when games within the division will be streamed.

The Assistant Commissioner mentioned the streaming program now features a play-by-play announcer and will include graphics by this fall season in an effort to enhance the broadcast even further. Hosting Institutions can now select if they are interested in streaming games at their location on the Pool Reservation Form. Teams were reminded there is minimal work required of the host as the league office will contact the appropriate departments to set up the stream and arrange the camera operators as well as any announcers.

All teams were urged to complete an Evaluation Form about the officials and the tournament following each of the competitions. These form are found under the Forms tab of the website. If you are unsure of which referee you are evaluating, go to the officiating section and click on their picture for easy identification as well as use the Referee Assignment page to confirm the names of officials assigned to the event.

Teams were encouraged to send in pictures or story leads to promote their programs and enhance the interest of the website. Likewise, Team Leaders should take advantage of the Player of the Week program and nominate athletes each week, regardless of whether the games are within the CWPA league play or non-conference. Those selected are featured on the website and several other media outlets utilized by the league.

The Assistant Commissioner mentioned the requirement for Team Leaders to review the Team Orientation webinars as well as involving younger members of their team to be involved in leadership roles. The program consists of three webinars and can be accessed via the Membership Page. There is also an optional fundraising webinar that provides some great tips.

Finally, teams were reminded to update their contact information using the link on the Membership page and to encourage graduating seniors to consider becoming officials.
