Attending: Dan Sharadin, Commissioner; Emory University, Kai Sung; University of Florida, Dana Simons; Florida International University, Anthony Zayas; Florida State University, Jennifer Propst; Georgia, University of, Sallie Watkins; University of Miami, Justin Bosquin

The Commissioner asked everyone if they knew of any teams wishing to join. No one knew of any team with enough women at this point in time.

It was mentioned the revised website that is now online and everyone was urged to send in pictures or story leads to enhance the interest of the site. Likewise, teams should take advantage of the Player of the Week program and nominate athletes each week, regardless of whether the games are within the CWPA league play.

The league schedule was the next item on the agenda. Teams wanted to continue to follow the two-tournament schedule currently used. The following dates and sites were determined:

- Feb 14-15 -- Florida International University
- April 18-19 -- Championship at Georgia

Teams hosting were reminded to submit their Pool Reservation Form in order to complete the schedule. The form can be completed online by going to the Tournament page on the website. Hotels will be reserved as soon as we receive these forms.

The Commissioner reminded everyone to have their Club Supervisor submit a Participation Contract by December 15 to ensure eligibility. It can be found on the Coaching page under Administrative Forms.

All coaches were urged to complete an Evaluation Form about the officials following each of the competitions. These forms are available on the Coaching page under Administrative Forms. If you are unsure of which referee you are evaluating, simply go to the officiating assignment page and click on their picture for easy identification.

The Commissioner requested that each team contact ensure their athletes have read the Code of Conduct before the season starts. Likewise, Deck coaches should adhere to the Dress Code established.

For new team leaders, it was mentioned that the CWPA will be hosting webinars to help team contacts become more familiar with their CWPA responsibilities. Teams will be notified when these are scheduled later this fall.

Lastly, teams were reminded to update their contact information using the link on the Membership page.
