

Atlantic Division

Meeting held October 27, 2016 5:00 PM EDT

Attending: Tom Tracey, Assistant Commissioner; James Madison University, Sophia Brown; Duke University, Abigail Chambers; University of North Carolina, Deanna Milunas; Virginia Polytech. (VA Tech), Sydney Davey and Caroline Fountain; University of Virginia, Madeleine Keach

The call opened with the Assistant Commissioner reminding everyone that the purpose of the call was to determine potential competition sites and dates as well as run through a series of reminders from the office.

The schedule was the first item on the agenda as well as teams' conflict dates. The Assistant Commissioner reminded the division of the previous season's scheduled and that the division needed to have five teams to maintain its bid to nationals. Duke was confident they would have enough student-athletes participating to field a team which would bring the division back up to five programs. Teams were asked who was interested in hosting as well as when their facility was available. Virginia, Virginia Tech and James Madison expressed interest.

Dates were determined as follows with sites listed by preference:

February 18-19	1st Choice: JMU, 2nd: VaTech, 3rd: UVA
March 25-26	1st Choice: VaTech, 2nd: JMU, 3rd: UVA
April 8-9	Championship - 1st Choice: UVA, 2nd JMU, 3rd: VaTech

Potential host sites should use the above preference order to request pool time. Teams decided on the following backup dates for each of the three weekends if needed:

February 25-26 for February 18-19
April 1-2 for March 25-26
April 22-23 for April 8-9

Potential hosts should provide the Assistant Commissioner with the dates their pool is available in order to finalize the above schedule. Once this is finalized, hosts are reminded to complete the Pool Reservation Form, found under the Forms section on the website. Schedules can be completed and hotels reserved once these forms are submitted.

The call concluded with the Assistant Commissioner running through a series of updates from our communications, membership services and multimedia departments. Additionally, leadership was reminded that all necessary team forms are found on the website under the Forms Tab. This includes the Participation Agreement that needs to be submitted by the Club Supervisor before December 15th. After the form is submitted, teams have until January 15th to remove themselves from the league without penalty. Likewise, Team Leaders need to turn in their Media Guide Info using the form on the website by January 15th. Emails for players should be included so athletes can be notified when games within the division will be streamed.

The Assistant Commissioner mentioned the streaming program now features a remote announcer and includes graphics in an effort to enhance the broadcast even further. Hosting Institutions can now select if they are interested in streaming games at their location on the Pool Reservation Form. Teams were

reminded there is minimal work required of the host as the league office will contact the appropriate departments to set up the stream and arrange the camera operators.

All teams were urged to complete an Evaluation Form about the officials and the tournament following each of the competitions. These forms are found under the Forms tab of the website. If you are unsure of which referee you are evaluating, go to the officiating section and click on their picture for easy identification as well as use the Referee Assignment page to confirm the names of officials assigned to the event.

Teams were encouraged to send in pictures or story leads to promote their programs and enhance the interest of the website. Likewise, Team Leaders should take advantage of the Player of the Week program and nominate athletes each week, regardless of whether the games are within the CWPA league play or non-conference. Those selected are featured on the website and several other media outlets utilized by the league.

The Assistant Commissioner mentioned the requirement for Team Leaders to review the Team Orientation webinars as well as involving younger members of their team to be involved in leadership roles. The program consists of three webinars and can be accessed via the Membership Page. There is also an optional fundraising webinar that provides some great tips.

The Assistant Commissioner discussed the Kap7 Affiliate Program and reminded teams of their 10% discount to all league members on purchases of equipment and apparel. KAP7 is committed to the sport of water polo and always available to teams beyond just their needs for equipment.

Finally, teams were reminded to update their contact information using the link on the Membership page.
