*The tournament is not seeded by ability, since there is no equitable means to determine the respective strength of the teams. Too few teams play outside of their division schedules to be able to create an accurate seeding. Match-ups are therefore based upon the 2016 National Collegiate Club Championship results by division.*

***\*Due to travel arrangements for Washington University in St. Louis on the morning of Sunday, May 7, preventing the Bears from being present for their placement game, the University of Pittsburgh assumes Washington University's position in the championship. Subsequently,***

**Washington University assumes Pittsburgh's prior spot as both teams will play out of the positions to their accepted final positions.**

**^Due to using an illegal player, all University of Utah results are officially listed as 5-0 forfeits**

**Teams listed first wear dark caps and are home on the scoreboard. Host team always wears dark caps and is listed first on the scoreboard regardless of seed.**
