Portland State University and Washington State University combined to field a full-roster for this weekend. Games originally scheduled against Portland State University will be recorded as forfeits. Additionally, University of Oregon "C" was not able to field a full roster for the weekend. These games were pulled from the schedule and recorded as forfeits in order to reduce the number of games on the weekend and allow team an earlier departure home on Sunday due to weather.

Win/loss record from Games 5, 8 & 11 determine places Fifth through Seventh

Division standings are determined by won/loss percentage instead of record since four teams will play an exhibition match against WSU and four teams will play an opponent twice during the season. This means that four teams will have eight league games while the other four will play eight games, but only seven will count towards standings.

Teams listed first wear dark caps and are home on the scoreboard. Host team always wears dark caps and is listed first on the scoreboard regardless of seed.
