

## 2018 Fulbright Project Aquatic Clinics and Workshops

Improve, begin, and/or expand the sport of Water Polo in your country thru a Fulbright Project!

*Find out how you can bring the most information-packed learning experience to your country and its National Federation – free!*

*The clinics include both pool sessions with live demonstrations and provide a unique and rewarding learning experience!*

- Spanish translations of Aquatics literature, technology. <http://la84.org/coaching-manuals/>
- Taught by Dr. Pete Snyder, Former U.S. National Team Coach, Fulbright Specialist.
- Sponsorship by Fulbright Specialist Program, Council on International Exchange of Scholars (CIES).
- Support and promotion by Los Angeles '84 Olympic Foundation.
- One weekend format designed to help coaches, teachers, players, **officials, referees** and administrators.
- Both genders and multi-age group participants and materials.
- Geographic areas including Mexico, Central America, South America.
