

**Mid Atlantic "B" Division**  
**Meeting held April 18, 2018 3:00PM EST**

Attending: Tom Tracey, Assistant Commissioner; West Chester University, Jason Doyle; Lehigh University, Kyle Brady; Saint Joseph's University, Jacob Smith; Bloomsburg University, Abby Halteman; Bucknell University, JT Schulte; Albright College, Mark Detterline (6 of 7 schools)

The call began with a discussion about the new league website that was launched at the start of the 2017 Fall Season. The Assistant Commissioner noted several key reasons for the change including: mobile friendly site, member programs ability to have interactive control over their team profiles and the league office's ability to make updates and changes. The Assistant Commissioner asked the leaders to contact the office if they have any suggestions that they felt would enhance the site. Leaders were also reminded to update their team profiles and to contact the office if they do not have their school's login information.

Following the roll call, teams were asked if anyone knew of any new programs interested in joining or if any team had interest in entering a "B" Squad which receives a reduction in league dues as voted by membership during the summer of 2016. While league dues have not been determined for the 2018-19 School Year, teams were reminded the previous year's dues were \$2750 for the first team and \$1930 for the second team entered from the same university. No team expressed interest in adding a "B" Squad. Potential teams mentioned included: Gettysburg College, Grove City College and Millersville University. Additionally, the Assistant Commissioner introduced Albright College as another potential new member was also joining us on the call.

The Assistant Commissioner explained the current Mid Atlantic "B" Division format as a single round-robin with additional seeding games drawn at random within a region. Teams would play these games over two weekends or a combination of one weekend and single weeknight games. All teams attend the "B" Division Championship with the winner having the option to advance to the "A" Division Championship if the dates worked. The Assistant Commissioner asked if teams would like to consider anything different but schools preferred staying with the current format. All teams were asked if they were interested in hosting. Bloomsburg, West Chester and Albright expressed interest. St. Joes would be able to host weeknights and Lehigh would host in conjunction with Villanova weeknight home games.

Teams decided to create the following tentative schedule depending on pool availability:

September 22-23	Bloomsburg
September 29-30	Albright
October 20-21	West Chester – Champs (late afternoon start – 3PM)

Based on participation, potential regions could be divided as:

East Region: West Chester, St. Joes, Lehigh, Widener  
West Region: Bloomsburg, Bucknell, Albright, Gettysburg

Several teams expressed concern for potential conflicts during the weekend of September 22-23 including Bucknell and St. Joes. Bucknell felt they could make it work depending on the game schedule. The Assistant Commissioner will work with Bucknell on their game times. Additionally, teams were concerned with the championship date as it may conflict with a swim meet and many of their team members were also varsity swimmers. The Assistant Commissioner asked West Chester to confirm the pool for a later start on Saturday with games not beginning any earlier than 3PM. West Chester will confirm with their aquatics director. St. Joes stated they could host on Tuesdays, Wednesdays or

Thursday starting no earlier than 8:30PM. West Chester was not sure of weeknight game times as their practice schedule wasn't determined.

The league office asked potential hosts to reach out to the office by May 15<sup>th</sup> with an update. The hope is sites can be confirmed by June 1<sup>st</sup>. Once sites are confirmed, hosts were reminded to complete the Pool Reservation Form found under the Forms section on the website once their date is confirmed. Team Leadership will be contacted by the office at least one week prior to their event to ensure they received the host package and are prepared for the weekend. Hotels will be reserved once the host sites are confirmed and pool reservation form submitted.

Before moving any further in the call, teams were asked if they had any questions or new business to discuss so that we do not run out of time at the end of the call. None was discussed.

The call concluded with the Assistant Commissioner running through a series of updates from the league office as well as a reminder that all [CWPA League Policies](#) are posted on the website under Membership. Specific policies discussed on the call were student-athlete eligibility requirements, teams must be recognized by their institution, the differences and penalties for "No Contest vs. Forfeit", and the definition between a "Varsity vs. Club" Student-Athlete. Any team may appeal the eligibility policy to the Club Governance Council comprised of three (3) current student-athletes and two (2) club administrators. The Assistant Commissioner acts as the liaison for the council and all appeals can be submitted directly to [tracey@collegiatewaterpolo.org](mailto:tracey@collegiatewaterpolo.org).

Additionally, leadership was reminded that all necessary team forms are found on the website under the Forms Tab. This includes the [Participation Agreement](#) that needs to be submitted by the Club Supervisor no later than June 1st for the Men's Season. After the form is submitted, teams have until September 1<sup>st</sup> to make any adjustments or remove themselves from the league without penalty.

Teams were encouraged to send story ideas to [Ed Haas](#), Director of Communications, to promote their programs and enhance their exposure on the website. Likewise, Team Leaders should take advantage of the Player of the Week program and nominate athletes each week, regardless of whether the games are within the CWPA league play or non-conference. Additionally, the website now has a social media aspect that we would love to see teams take advantage sending photos from their tournaments as well as other great experiences they have as a team.

The Assistant Commissioner pointed out [Jon Weaver](#), Director of Multimedia, continues to do exciting updates with the streaming program and featured game of the week. To ensure we can highlight games from every division, host sites are strongly urged to work with the multimedia department to stream at their facility. Additionally, the multimedia department is developing several video libraries to directly benefit our members and officials. As the CWPA is a non-profit, all educational material will be available for free on the website. We encourage teams, players and coaches to take full advantage.

The Assistant Commissioner explained the recently launched Ambassador's Program with a focus on an Alumni Initiative. Teams will be asked to give a few minutes during a league weekend to talk with one of the league ambassadors about how they can stay involved after graduation whether as a coach, official, mentor or donor. The Assistant Commissioner also launched into the newly revised CWPA Mentoring Program and discussed how the office felt this would help reduce the attrition and hopefully promote additional growth. Teams were asked to provide the office with any names of current alum that were team leaders in the past and that they felt would be great mentors for either a new team or struggling program.

Current team leaders were reminded about the Team Leader Orientation Program requiring each school to review four short webinars. The team representative reviewing the webinar will need to take a short test at

the conclusion to ensure it is recorded that their team had completed the requirements. Teams should also encourage younger members of their team to be involved in a leadership role to help secure a smoother transition over the years.

Finally, teams were once again reminded the importance of reviewing and updating their [Team Contact Information](#) using the link on the Membership page. Additionally, all potential hosts were reminded to follow up on their ability to host on the selected dates by June 1<sup>st</sup>.

All team leaders were thanked for taking the time to be on the call to represent their program.
