Collegiate Water Polo Association,

The Department of Campus Recreation at the University of Pittsburgh is excited to host the 2019 CWPA Nationals on November 15th-17th. Our Department and the Men's Water Polo Club look forward to assisting the CWPA Staff and all of the clubs in attendance.

The tournament will take place in the **Trees Hall Pool, located at 140 Allequippa Street, Pittsburgh, PA 15213**. With this tournament taking place over the entirety of the weekend, each day will differ with the ease of parking. Additionally, Pitt Athletics is hosting a Men's Basketball Game (Friday), a Wrestling Match (Friday), and a Women's Basketball Game (Saturday), which will all impact parking on campus. Please use the information below as a guide for parking on campus.

Note: Friday is going to be the most difficult in terms of parking. The parking garages will likely be filled with permit holders during the day, and then they will be reserved for athletics during the evening. The best method on Friday would be to utilize the street metered parking. Street metered parking can be found all across campus, but the streets listed above would provide the shortest walk to Trees Hall.

Saturday and Sunday should be much easier in terms of parking. Street parking will still be available on both days, and it is free on Sunday. Additionally, the parking garages on campus will be much more likely to have open spots as compared to Friday.
