

Pool Improvement Project

On behalf of the Johns Hopkins Department of Athletics and Blue Jays Unlimited, we are pleased to announce a campaign to make improvements to the pool. Improvements will include a movable bulkhead, new starting blocks and an industrial ceiling fan. This project will allow both water polo and swimming to compete in a deep water pool, which would be **game changing** for both programs.

Goal: \$175,000

DON'T MISS OUT ON THIS WONDERFUL OPPORTUNITY TO SUPPORT THE FUTURE OF JOHNS HOPKINS WATER POLO AND SWIMMING!
