

2021 Men's Club Annual Meeting Minutes

Missouri Valley Division

Minutes, April 27, 2021

Attending: Daniel Sharadin, Commissioner

McKendree, Zach Roper; Washington, Avery Fredman; Missouri Science & Technology, Nathan Burlis

The second conference call opened with a brief recap of the competitive format options discussed a week prior. The purpose of this call was to select which competitive option would be used this fall.

Teams voted unanimously in favor of the Hybrid model, with three teams in the "A" and three in the "B" championship.

Option 2 Hybrid

Teams play within their division during the first two weekends to determine standings. The top half of the teams from one division will play against the top half of the division from the neighboring division at the "A" Championship and the bottom half of the teams from each division will do the same at the "B" Championship.

Southwest Missouri State was mentioned as a possible new addition to the division, while Lindenwood has withdrawn.

The Commissioner stated he would send an excel form that teams will need to complete, listing what dates they are unavailable to compete, and which dates they can host. The deadline for the form to be returned is May 15, but the office understands teams may not be able to determine if they can host by that point in time. In this instance, teams should just indicate that on their form and notify the office when they get a date confirmed with their school.
