### **Atlantic Division**

December 8, 2021 4:00 PM

Attending: Dan Sharadin, Commissioner; Georgetown University, Samantha Dies; University of Virginia, Nicole Giblin; Virginia Tech, Emily Robinson; James Madison University, Alana Boykin-Carter and Maddie Rospierski; University of Maryland, Alex Giblin

The schedule was discussed and two sites were confirmed:

January 29-30	James Madison
April 9-10	Virginia

While we still need a third weekend, no other teams at the time of the call indicated their ability to host. Teams indicated they would check into their availability.

In other business the Commissioner explained about the new hotel reservation policy. The old system of booking one property at a tournament site to try and meet every school's needs is outdated and a very inefficient means to earn free rooms from the hotels. The new process utilizes one account through Hotels.com, where teams can book the hotel of their choice and the league can earn more free rooms for officials, which will save league expenses. More information will be sent to teams about this policy later.

The Commissioner reminded teams about the forms they need to complete, including the Participation Agreement that must be submitted by the club supervisor before December 15th. All forms are located on the "Forms" tab of the website. He also emphasized the importance of the website. Teams may send stories about their clubs to help promote their programs.

Live streaming will still take place this spring and to make the broadcasts accurate, the league needs rosters that include the correct cap numbers. All teams will be required to turn in a roster and include emails for their athletes. This will also enable the league to reach out to the individual athletes with information about the stream that they can forward to their parents.

Lastly teams need to make sure their contact information is correct on the website and to share the leadership responsibilities between three roles: coaching, administration, and social/recruiting. By selecting a different person for each position teams prevent burnout, and it allows the league office

to help individuals in specific areas. All club leadership must also complete the [Team Leader Orientation](#) program consisting of three short webinars.
