Teams were unanimous in their desire to coordinate a joint championship between the divisions on both the "A" and "B" levels.

The schedule was the first item and the teams determined the best weekend for both championships was October 21-22. However, teams were unable to confirm any specific dates, with Cincinnati hoping to host the "B" championship and McKendree a possibility for the "A" championship.

As soon as teams email the office with confirmed dates they can host, we will establish the schedule for the fall.

The Commissioner reminded everyone that their Participation Agreements must be submitted by their club supervisors before they leave for the summer. In addition, those hosting will need to submit Pool reservation forms. Both items can be found by going to the website and clicking on the Forms tab.

Regarding the website, it continues to be the main vehicle by which the CWPA shares information. The Commissioner encouraged teams to provide the office with any interesting stories about their clubs. Likewise, to remember to nominate players of the week so we can help promote your program.

For those taking over the leadership roles for their teams, the CWPA created three short webinars, found by clicking on the Membership tab and then on [Team Leader Orientation](#). Clubs should also list the names and contact info of their leaders by updating their team page under the Membership link.
