The schedule was the first item and the teams determined the best weekend for the championship was October 21-22. The tentative schedule was proposed as follows:

Crossover or Regional	Michigan
Crossover or Regional	Ohio State
Regional	Wisconsin
Championship	Purdue

Teams were unable to confirm any specific dates, with the possibility that Wisconsin hosts 10/14-15 or earlier in September, Michigan hosts 9/30-10/1 or 10/7-8 as a regional or crossover, and potentially Ohio State or Iowa hosting. As soon as teams email the office with confirmed dates they can host, we will establish the schedule for the fall.

The Commissioner mentioned that they are trying to get caught up after losing staff from COVID and one of the activities is the distribution of the awards for 2021 and 2022. We expect to distribute these in the next few weeks.

The Commissioner reminded everyone that their Participation Agreements must be submitted by their club supervisors before they leave for the summer. In addition, those hosting will need to submit Pool reservation forms. Both items can be found by going to the website and clicking on the Forms tab.

Regarding the website, it continues to be the main vehicle by which the CWPA shares information. The Commissioner encouraged teams to provide the office with any interest stories about their clubs. Likewise, to remember to nominate players of the week so we can help promote your program.

For those taking over the leadership roles for their teams, the CWPA created three short webinars, found by clicking on the Membership tab and then on [Team Leader Orientation](#). Clubs should also list the names and contact info of their leaders by updating their team page under the Membership link.
