The schedule was the first item discussed. Teams voted 4-2 in favor of having their championship 10/28-29. The schedule was determined as follows:

San Diego State	10/7-8
Arizona	10/21-22
UC San Diego	10/28-29

UCSD will know whether they can host by July 1st. If they do not have that date available, they will switch dates with San Diego State.

The Commissioner mentioned that they are trying to get caught up after losing staff from COVID and one of the activities is the distribution of the awards for 2021 and 2022. We expect to distribute these in the next few weeks.

The Commissioner reminded everyone that their Participation Agreements must be submitted by their club supervisors before they leave for the summer. In addition, those hosting will need to submit Pool reservation forms. Both items can be found by going to the website and clicking on the Forms tab.

Regarding the website, it continues to be the main vehicle by which the CWPA shares information. The Commissioner encouraged teams to provide the office with any interest stories about their clubs. Likewise, to remember to nominate players of the week so we can help promote your program.

For those taking over the leadership roles for their teams, the CWPA created three short webinars, found by clicking on the Membership tab and then on [Team Leader Orientation](#). Clubs should also list the names and contact info of their leaders by updating their team page under the Membership link.
