

Southwest Division

Minutes, May 7, 2025, 8:45 PM EDT

Attending: Daniel Sharadin, Commissioner; University of Arizona, Samuel Taylor; San Diego State University A & B, Justin Dipietro; University of California-San Diego A & B, Aidan Gleason, Matthew Spry, & Lucas Childs; University of California-Riverside, Elijah Chavez (UC Riverside indicated they are 80% certain they will enter a team).

The meeting opened with a discussion of the schedule, which was determined as follows:

October 11-12	UC San Diego
October 18-19	San Diego State
October 25-26	Arizona

If the NY Division declines to host the National Championship, UCSD said they will, but it will mean they cannot host the regular season event as well. Another club will need to do so if that happens.

Teams agreed to draw opponents in the schedule according to experience when possible.

The Commissioner reminded everyone that their Participation Agreements must be submitted by their club supervisors before June 1st. In addition, those hosting will need to submit Pool reservation forms. Both items can be found by going to the website and clicking on the Forms tab.

Regarding the website, it continues to be the main vehicle by which the CWPA shares information. The Commissioner encouraged teams to provide the office with interesting stories about their clubs. Likewise, to remember to nominate players of the week so we can help promote your program.

The Commissioner mentioned the CWPA expects to be streaming once again this fall. Those hosting only need to confirm an active ethernet port is available poolside.

Teams can help the funding by booking their hotels using our hotel partner, Engine.com, which helps provide free rooms for the referees. More info will be sent at a later date.

For those taking over the leadership roles for their teams, the CWPA created three short webinars, found by clicking on the Membership tab and then on [Team Leader Orientation](#). Clubs should identify people to handle three roles including Player/Coach (or volunteer coach), Team Administrator, and Recruiter. Once identified, teams should send the names and contact info so we can update the page under the Membership link.
